

Certificate of attendance

It is hereby confirmed that

Julian Kohne

has participated on 28.02.2023 at the GESIS - Workshop

"GDPR-In-depth workshop"

The workshop was led by Heidi Schuster. It covered the following topics:

- Research privileges in data protection law: where are exceptions?
- Deletion of data
 - Dates and deadlines
 - Different scenarios within the framework of the so-called data life cycle
 - Concrete implementation
- Pseudonymization/ anonymization
 - Double pseudonymization
 - Differential Privacy
- Secondary use
 - Missing aspects in primary consent
 - Dealing with old consents (before the GDPR came into force)
 - GESIS as data receiving/non-primary data collecting body
- Research data management
 - Contents of a data protection concept
 - Privacy by Design
- Procedure based on a concrete GESIS practical example:
 - Project planning
 - Code of Professional Conduct/Ethics
 - Publication of research results
 - Publication of raw data
